Department of Treasury

- **May 6- State Affairs examines the impact of COVID-19 on NJ Budget with NJ State Treasurer** <https://www.insidernj.com/state-affairs-examines-impact-covid-19-new-jerseys-budget/>

Office of Attorney General

- **May 6- Proposed Regulation—Board of Nursing**
 - o NEWARK – The Board of Nursing has proposed amendments to regulations regarding continuing education requirements for licensed nurses and initial education requirements for advanced practice nurses. The proposal effectuates P.L. 2017, c. 28 which requires licensed nurses to complete one credit of continuing education on prescription opioid drugs every biennial renewal period. The law also requires that an advanced practice nurse's initial education in pharmacology include issues concerning prescription opioid drugs.
<https://www.njconsumeraffairs.gov/Proposals/Pages/Nursing-04202020x-proposal.aspx>
- **May 6- Proposed Regulation Board of Nursing—**
 - o NEWARK – The Board of Nursing has proposed amendments and new rules to implement P.L. 2019, c. 172, which entered New Jersey into the Nurse Licensure Compact. The Compact is an agreement between states in which nurses licensed in one member state may work in

another member state without obtaining a license. In order to work pursuant to the Compact, a nurse would have to obtain a license with multistate privileges from his or her home state, which must be the nurse's primary state of residence. The proposed amendments and new rules establish the procedures for applying for licenses with multistate privileges.

<https://www.njconsumeraffairs.gov/Proposals/Pages/Nursing-04202020-proposal.aspx>

- **May 6- Proposed Regulation—Division of Consumer Affairs**

- o NEWARK – The New Jersey Division of Consumer Affairs has proposed amendments to regulations governing the conduct of licensed public movers and/or warehousemen. P.L. 2019, c. 216 revised requirements for the information brochure that licensed public movers and/or warehousemen are required to provide consumers. The new requirements permit the brochure to be provided either in written or digital form. The proposal amends Division regulations to effectuate P.L. 2019, c. 216. The proposal also allows licensed public movers and/or warehousemen to perform physical inspections through electronic means, revises standards for exceptions to liability for damages to consumer's goods and allows for more short-notice moves by increasing the price limit for such moves. The proposed amendments, and information on how to submit a comment by June 19, 2020, can be viewed here.

(Benchmarks below)
 - Stay-at-home order in effect until further notice
 - 1) Sustained reduction in new cases
 - 14-day trend lines showing sustained drops in new cases, hospitalizations, and other metrics

- Hospitals stepping down from functioning under standards of care
- 2) Expanded testing
 - At least double current testing capacity
 - Prioritize testing for healthcare workers, essential personnel, and vulnerable populations
 - Create a flexible testing plan
 - Expand partnerships with institutions of higher education, private sector labs, and federal government
- 3) Implemented robust contact tracing
 - Recruit and deploy an army of personnel who will identify and follow up with contacts (1300-7000 contact tracers)—actively seeking companies with innovative solutions
 - Leverage technological data to increase efficiency
 - Coordinate with local and state health officials
- 4) Securing safe places for isolation
 - Provide individuals who do test positive with a safe and free place to isolate and protect others
 - Ensure supportive services for quarantined contacts
- 5) Responsible Economic Restart
 - Governor’s Restart and Recovery Commission
 - Methodical and strategic return to work based on level of disease transmission risk and essential classification
 - Continuation of social distancing measures
- 6) Ensuring Resiliency
 - Learn from the lessons of COVID-19
 - Ensure hospitals and health care systems have inventories of PPE and ventilators
 - Build our own state stockpile
 - Create playbook for future administrations

 - o **Budget Update: During today's COVID-19 briefing, Governor Murphy indicated that he will be signing S2338. Pursuant to this legislation:**
 - The Governor will be delivering a revised budget message on August 25th. The revised budget message shall meet the requirements set forth in section 11 of P.L.1944, c.112 (C.52:27B-20), except that the required estimate of balances on hand shall be as of October 1 instead of July 1.
 - By May 21, the State Treasurer shall prepare a report on the financial condition of the State budget for State Fiscal Years 2020 and 2021. The report shall provide:
 - An update on State revenue collections through the first nine months of State Fiscal Year 2020 and a revised forecast of revenue projections for the remainder of the current fiscal year;

- A detailed plan of spending from State, federal, and all other governmental funds for the continuation of essential governmental operations during the remainder of State Fiscal Year 2020, including, but not limited to, debt service payments, pension payments, spending on capital projects, public transportation, school aid, municipal aid, utility service subsidies, and funding for hospitals, higher education, and emergency relief impacted by the COVID-19 pandemic; and,
 - An assessment of current economic conditions and the potential impact of the economy on the proposed budget for State Fiscal Year 2021.

 - o S2332 (Stack / Sweeney / Corrado) - Establishes "2020 New Jersey Emergency Rental Assistance Program"; appropriates \$100 million.
 - o S2333 (Kean / Sweeney / Smith / O'Scanlon) - Provides immunity from civil liability for certain medical malpractice claims alleging injury or death incurred during public health emergency and state of emergency declared by Governor's Executive Order 103 of 2020.
 - o S2338 (Sarlo / Oroho / Bucco) -- "COVID-19 Fiscal Mitigation Act"; Clarifies filing and payment deadline extension for CBT and GIT taxpayers, modifies duration of State Fiscal Years 2020 and 2021, requires certain updates and presentation for State Fiscal Years 2020 and 2021.
 - o S2339 (Cunningham / Ruiz / Cryan / Singleton) - Concerns certain benefits and leave provided to workers.
 - o S2340 (Singleton / Oroho / Greenstein) - Authorizes Governor to permit mortgage forbearance and rent payment responsibility reduction for certain emergency-impacted residential property owners and tenants during emergency circumstances.
 - o S2341 (Vitale / Thompson / Greenstein / Scutari) - Authorizes Governor to restrict rent increases on certain commercial tenants during emergency circumstances; enhances similar existing authority over rent increases on residential tenants
 - o S2342 (Bucco / Greenstein) - Permits nonprofit corporations to allow members to participate in meetings by way of remote communication, and permits nonprofit corporations to hold meetings in part or solely by means of remote communication during state of emergency.
 - o S2344 (Pou / Singer / Vitale) - Requires Medicaid and health insurance coverage for certain refills of prescription drugs during state of emergency.
 - o S2345 (Cryan / Bateman) - Requires refund or credit for transient space reservations when a public health emergency or state of emergency is in effect.
 - o S2346 (Sarlo / Sweeney / Singleton / Bucco) - Extends certain permits during COVID-19 emergency.
 - o S2347 (Sweeney / Greenstein / Kean, T.) - Establishes Employment and Business-Related Tax Deferral Assistance Program in EDA to allow small businesses to defer the payment and remittance of certain employment and business-related taxes during COVID-19 public health emergency.
 - o S2348 (Sweeney / Kean, T. / Bucco) - Allows CBT and GIT tax credits to certain employers that retain employees during COVID-19 pandemic.
 - o S2349 (Beach) - Changes the date of the 2020 primary election from June 2 to July 7.
 - o S2351 (Scutari / Greenstein / Holzapfel) - Affords employment protection to certain emergency medical responders.
 - o S2352 (Gopal / Lagana / Holzapfel) - Provides enhanced penalty for distribution of counterfeit drugs and medical devices during declared states of emergency.
 - o S2353 (Cryan) - Excludes from severance requirements under "Millville Dallas Airmotive Plant Job Loss Notification Act" mass layoffs resulting from coronavirus disease 2019 pandemic.
 - o S2354 (Greenstein / Oroho) - Prohibits cancellation or nonrenewal of insurance during public health emergency or state of emergency and for 60 days thereafter and requires insurers to take certain actions to avoid cancellation and nonrenewal.
 - o S2355 (Gopal / Bateman) - Delays mandatory retirement in SPRS when it would occur during period of State of emergency.
 - o S2356 (Cunningham) - Provides relief to students receiving State financial aid to address special circumstances due to 2020 public health state of emergency.
 - o S2357 (Rice / Gill / Corrado) - Requires hospitals to report COVID-19 demographic data

- SR64 (Cryan / Pou / Bateman) - Urges financial institutions to waive and suspend certain fees and payments during coronavirus disease 2019 pandemic.
- SR65 (Sarlo / Greenstein / Testa) - Urges creation of federal COVID-19 Business and Employee Continuity and Recovery Fund.
- A3901 / S2334 (Chiaravalloti / Kennedy / Speight) - Permits professional and occupational licensing boards to reactivate licensure of certain individuals during state of emergency or public health emergency.
- A3903 / S2336 (Downey / Houghtaling / Swain) - Allows remote notarial acts during Public Health Emergency and State of Emergency declared by Governor in Executive Order 103 of 2020.
- A3904 / S2337 (Burzichelli / Schepisi / Lampitt) - Permits use of virtual or remote instruction to meet minimum 180-day school year requirement under certain circumstances.

WESTFIELD, N.J. – Assembly Republican Leader Jon Bramnick is calling for insurance companies to support paying frontline health care workers to reflect the hardship and increased danger of their work providing care to patients infected with COVID-19. "Most procedures have a code that is equivalent to insurance company reimbursement," said Bramnick (R-Union). "My plan would require insurance companies to add a code when a health care worker is performing services related to COVID-19 patients. This would be in addition to the procedure being performed and provide an additional reimbursement to the healthcare worker."

NJ Coronavirus Update 3.27.20

National

- *March 27- House passes \$2 trillion coronavirus bill*
 - o *Passed Senate previously*
 - *Bill Text* <https://www.politico.com/f/?id=00000171-1429-d270-a773-777f92a00000>
 - *Summary of Major bill components*
<https://www.politico.com/news/2020/03/25/whats-in-stimulus-package-coronavirus-149282>
 - *Relief for farmers, ranchers- 24 billion*
 - *Emergency assistance for schools- 30 billion*
 - *Distilleries- Distilleries received a temporary exemption from an excise tax for alcohol they use to make hand sanitizer that's produced and distributed within Food and Drug Administration guidelines.*
 - *Food stamps and child nutrition- 25 billion*
 - *Postal service- \$10 billion Treasury loan to stave off total insolvency, but not a direct infusion of emergency cash.*
 - *Retail tax- Retailers, restaurateurs and hotels will be able to immediately deduct from their taxes what they spend on property improvements.*
 - *Cruise industry- No relief.*
 - *Telemedicine- \$200 million for boosting Skype-style health checkups by investing in services and devices that help health care providers connect remotely with patients.*

- **Oil industry-** No relief
 - **Employers and self-employed individuals-** Ability to defer the 6.2 percent tax they pay on wages that is used to fund Social Security.
 - **Insurers-** No relief.
 - **Pentagon-** The Defense Department would field an infusion of \$10.5 billion, including \$1.5 billion for the National Guard to deploy up to 20,000 on-call soldiers to help state response teams fight the coronavirus over the next six months. The bill would also spend \$415 million on research and development work at the Pentagon, aimed at developing vaccines and antiviral medicine.
 - **State and local governments-** 150 billion for state and local governments, with \$8 billion set aside for local governments
 - **Businesses:** Tax credit for keeping idled workers on their payrolls during the coronavirus pandemic, so long as the businesses meet certain criteria. They would get a refund for half of what they spend on wages, up to \$5,000 per worker.
 - **Airlines:** 58 billion. Airlines would receive \$29 billion in grants, and \$29 billion in loans and loan guarantees, as well as a reprieve from paying three of their major excise taxes on the price of a ticket, the fuel tax and a cargo tax. That funding comes with strings, though — no stock buybacks, and limits on executive compensation, to start. Half the funds would go toward “the continuation of payment of employee wages, salaries, and benefits” while the other half would go to loans and loan guarantees for passenger airlines, repair stations and ticket agents — subject to conditions.
 - **Hospitals:** Health care providers would secure \$100 billion in grants to help fight the coronavirus and make up for dollars they have lost by delaying elective surgeries and other procedures to focus on the outbreak. They would also get a 20 percent bump in Medicare payments for treating patients with the virus.
 - **Taxpayers:** All U.S. residents with adjusted gross income up to \$75,000 (\$150,000 for married couples) would get a \$1,200 (\$2,400 for couples) “rebate” payment. They are also eligible for an additional \$500 per child. The payments would start phasing out for earners above those income thresholds and would not go to single filers earning more than \$99,000; head-of-household filers with one child, more than \$146,500; and more than \$198,000 for joint filers with no children
- **President Trump is expected to sign.**

NJ Department of Health

- **March 9: [New Jersey Department of Health \(NJDOH\) Monitoring and Movement Guidance for Healthcare Personnel \(HCP\) Exposed to Confirmed Cases of COVID-19 \(March 9, 2020\)](#)**
 - o **Purpose:** Due to their often extensive and close contact with vulnerable individuals in healthcare settings, NJDOH recommends a conservative approach to HCP monitoring and restrictions from work to quickly identify early symptoms and prevent transmission from potentially contagious HCP to patients, HCP, and visitors. Healthcare facilities (HCFs) should have a low threshold for evaluating symptoms and testing symptomatic HCP, particularly those who fall into the high- and medium-risk categories described in this guidance. HCFs, in consultation with public health authorities, should use clinical judgment as well as the principles outlined in this guidance to assign risk and determine need for work restrictions.

To help HCFs document and assess HCP risk and exposure, NJDOH has developed the below series of tools and checklists:

- **March 9: [NJDOH Healthcare Personnel \(HCP\) Exposure to Confirmed COVID-19 Case Risk Algorithm \(March 9, 2020\)](#)**
 - o This document can be used to assess the type of potential exposure HCP may have experienced while caring for the COVID-19 patient and assign risk level (High, Medium, Low or No Risk). It also provides guidance on the management of exposed HCP.
- **March 9: [Retrospective Assessment Tool for Healthcare Personnel Potentially Exposed to COVID-19 \(March 9, 2020\)](#)**
 - o This tool can be used to assess HCP exposure risk prior to the patient being identified as having COVID-19.
- **March 9: [NJDOH COVID-19 Healthcare Personnel \(HCP\) Exposure Checklist \(March 9, 2020\)](#)**
 - o This tool can be used to monitor and assess the appropriate use of personal protective equipment (PPE) for HCP caring for the COVID-19 patient after they have been identified in the facility.

- **March 9:** [NJDOH COVID-19 Fever and Symptom Monitoring Log for Healthcare Personnel \(March 9, 2020\)](#)
 - This tool can be used by a HCF or local health department (LHD) to assist HCP with daily symptom monitoring.
- **March 9:** [Healthcare Personnel Exposure Line List \(March 9, 2020\)](#)
 - This tool can be used by a HCF or local health department (LHD) track HCP under active monitoring.
