

CERTIFIED PLAYGROUND SAFETY INSPECTORS COURSE AND EXAM

April 10-12, 2019
Wall Recreation
2700 Allaire Road
Wall, NJ 07719

Certified
Playground
Safety Inspector

Why This Course Is Important To YOU:

According to the Consumer Products Safety Commission, each year more than 200,000 children go to hospital emergency rooms with playground-related injuries. Of these, 70% of the injuries occur at public parks and schoolyards when the child falls from the equipment onto the ground.

New Jersey State Law adopted the playground safety guidelines of the United States Consumer Product Safety Commission as detailed in the "Handbook for Public Playground Safety" (Pub. No. 325). These guidelines were adopted by reference as the Playground Safety Subcode for New Jersey and govern design, installation, inspection and maintenance of playgrounds and playground equipment. These guidelines apply to **all** public playgrounds in the state of New Jersey and are **mandatory**.

How does your playground measure up?

How many preventable injuries occur in your parks, school yards, or facilities?

What This Course Will Provide YOU:

The Certified Playground Safety Inspectors (CPSI) Course and Exam, hosted by the New Jersey Recreation and Park Association and sponsored by the National Recreation and Park Association, is the most comprehensive and up-to-date training program on playground safety issues including hazard identification, equipment specifications, surfacing requirements and risk management methods.

The course provides **advanced reading** and fifteen (15) hours of training that will prepare you to take the Certified Playground Safety Inspector Exam at the culmination of the certification course. Certification, with passage of the exam, is valid for three years.

Who Should Attend?

- Park & Recreation Supervisors & Administrators
 - Safety Engineers
