AABAR, BEN SHAFFER & KINSEY ASSOC. developed the concept of the Association of Commercial Representatives (ACR) in the late 1970s. As individual companies they couldn't match the support given by larger companies but by forming a group of like companies they realized they could make a difference in NJRPA while getting exposure for their individual members.

ACR is a group within the NJRPA commercial section that sponsors several NJRPA activities each year and ACR members are acknowledged in each and every one of those sponsorships. ACR membership also provides additional savings opportunities within NJRPA in addition to the increased exposure.

ACR MEMBERSHIP BENEFITS

NJRPA members with ACR membership receive:

- Greater discounted conference exhibition rates
- Greater discounted advertising rate opportunities
- Special recognition at the NJRPA annual conference in printed material and signage at conference events
- Sponsorship signage at all ACR sponsored events
- Increased exposure via a dedicated page on the NJRPA website with a direct link to your company
