NJRPA's 300+ agencies provide community services to over 7 million New Jersey residents!

The New Jersey Recreation and Park Association (NJRPA) is dedicated to enhancing the lives of all New Jersey residents by supporting outstanding park, recreation and natural resource management programs.

The mission and goals of NJRPA are pursued by the volunteer members of the Association: professionals and citizens working in state, county, municipal, non-profit, and private park, recreation, health and conservation agencies; students and faculty at colleges and universities; and commercial suppliers of park and recreation products and services.
